# Kloofzicht Lodge & Spa

Muldersdrift

Nestled at the foothills of the Zwartkops Mountains in the Cradle of Humankind, Kloofzicht Lodge & Spa is a comfortable forty minute drive from both Sandton and Pretoria.

The stillness of Kloofzicht is embodied by water as the lodge, comprising sixty suites, overlooks six exquisite fly fishing dams and the lower reaches of the Blaauwbank Spruit, which meanders through the unspoilt Zwartkops gorge. Five-star hospitality and service is the trademark of Kloofzicht Lodge & Spa and can be found from our conferencing and banqueting to our wedding, leisure and Spa facilities.

The lodge accommodates groups from 2 to 120 delegates within five main conference venues and three smaller meeting rooms. Spa conference packages are popular with cutting-edge companies, while fly fishing packages are available as an interesting teambuilding alternative.

Overlooking the furthest edge of the Kloofzicht Dam, the Royal Suite charms with its privacy. Two en-suite bedrooms and the lounge offers scenic views over the dam and heated eight seater Jacuzzi. A large fire pit invites guest to conclude their day with the sounds of nocturnal night life surrounding them. In-room Spa treatments, the services of your very own butler and chef are available on request.

Weddings are celebrated in style in the open air chapel and our selection of venues comfortably accommodate 120 guests at a time. At Kloofzicht Lodge we employ our wealth of experience, matched with personal service to ensure the success of your wedding day.

With a skilled and creative culinary team, dining is an experience not to be missed. Sunday lunch is a delicious affair with the freshest of ingredients. Hand-selected wines can be enjoyed around a glowing fire in Little Foot Bar or the main restaurant. Smaller groups may opt for the wine cellar for private celebrations for up to 20 guests or even the boma area with its own bonfire.
